# Crosswalk Signal Choices

**Directions:** Choose the safest action for each street-crossing situation.

## 1. The signal shows WALK and cars are stopped.

- ☐ Cross in the crosswalk and keep watching traffic.
- ☐ Run into the street without looking.
- ☐ Stand in the middle of the road.

## 2. The signal is flashing and time is almost up.

- ☐ Start crossing slowly anyway.
- ☐ Wait for the next WALK signal.
- ☐ Close your eyes and hurry.

## 3. A car is turning even though the WALK signal is on.

- ☐ Make sure the driver stops before crossing.
- ☐ Step in front of the car immediately.
- ☐ Cross while looking at your phone.

## 4. There is no crosswalk nearby.

- ☐ Cross between parked cars.
- ☐ Look for a safer crossing place or adult help.
- ☐ Race across anywhere.
