HOME AND SAFETY · DEVELOPING: APPLY SIX HOME-SAFETY CHOICES

Check an Autumn Home Safety Plan

Name _____ Date _____

Choose the safer next step. These are practice situations; ask a trusted person for help with real safety concerns.

1. The smoke alarm chirps once every minute.

A. Tell a support person and arrange a battery check.

B. Cover it with a towel.

_____

2. A hallway has bags on the floor.

A. Move bags so the exit path is clear.

B. Step over them later.

_____

3. You are outside after an alarm.

A. Go to the planned meeting place.

B. Go back inside for a coat.

_____

4. A cooking pan starts smoking.

A. Turn off heat if safe and get help.

B. Carry it outside.

_____

5. You see a loose outlet cover.

A. Keep away and tell a support person.

B. Touch it to see if it is loose.

_____

6. A door to the exit is blocked.

A. Tell someone and clear the path.

B. Ignore it.
