

Severe Weather at Home

Name: _____ Date: _____

Make a plan for storms, tornado warnings, and other severe weather.

- 1 Get alerts.** Listen to a weather radio, phone alert, or trusted news source.
- 2 Go to the safest place.** Use a basement or small interior room away from windows when directed.
- 3 Bring essentials.** Take shoes, phone, flashlight, medication, and emergency information.
- 4 Stay there.** Wait for an official all-clear or guidance from a trusted supporter.

My safest place

Room or location: _____

How I get there: _____

Who may need help: _____
