A fictional craft studio requires a deposit. A deposit is part of the full price, paid early. Prices include all fees.

Full class price	\$28.00
Deposit already paid	\$10.00
Pay the rest	At the studio on class day
Money brought to class	\$20.00

Read the information. Write, say, point to, or dictate your answers. A calculator may be used.

1. How much has already been paid?

2. How much is still owed on class day?

3. Is \$20 enough to pay the rest?

4. How much change should the learner receive from \$20?
