

Name _____

Date _____

Which Bill Should Be Paid First

Directions: Use the bill chart to decide which bills should be paid first.

Bill	Amount	Due Date	Important Note
Rent	\$450	August 18	Late fee starts the next day
Phone	\$38	August 20	Needed for work calls
Streaming App	\$12	August 25	Optional subscription
Electric	\$64	August 27	Keep lights and fridge on

1. Which bill has the earliest due date?

2. Which bill is optional?

3. Name one bill that supports daily living or work.

4. If you can only pay two bills today, which two make the most sense first?
