Choose Socks for a Fresh Start

Foundational: apply a stated clothing routine

After a rainy walk, Mel's socks feel wet. Mel has a personal routine for changing into dry socks. Use Mel's routine for this practice; people can ask for help with dressing.

Notice	Socks feel wet after the walk.
Choose	Select a clean, dry pair from the drawer.
Change	Sit in a comfortable place and change socks; ask for help if needed.
Finish	Place the used wet socks in the household's designated laundry spot.

Read the information. Write, say, point to, or dictate your answers. A calculator may be used.

1. What tells Mel it is time to change socks?

2. Which pair should Mel choose: clean and dry, or already wet?

3. What can Mel do if changing socks is difficult?

4. Where do the used socks go in Mel's routine?
