Count Supply Tallies - Level 2

Level 2: count groups and find a shortfall

A club counts supplies with tally marks. Each vertical mark means one item. A bracketed group [|||||] means five items. The club needs 10 pencils.

Pencils	[|||||] |||
Erasers	[|||||]	
Notebooks	||||
Pencil target	10 pencils altogether

Sample answers below. Accept equivalent wording and supported communication.

1. How many pencils are recorded?

8 pencils: 5 + 3.

2. How many erasers are recorded?

6 erasers: 5 + 1.

3. How many more pencils are needed to reach 10?

2 more: 10 - 8.

4. Write the total number of erasers and notebooks.

10 items: 6 + 4.
