Match Building Address Lines

Foundational: match the parts of a simple address

Rae is checking the address printed on a community-room sign. Read the address parts. This is practice recognizing words and numbers, not a navigation task.

Street number	214
Street name	Maple Street
Apartment	Apt. 3B
City and ZIP	Cedar Grove, 10012

Read the information. Write, say, point to, or dictate your answers. A calculator may be used.

1. What is the street number?

2. What is the street name?

3. Which apartment is listed?

4. Write the city name.
