

Ask for a Quieter Space - Level 2

Level 2: state a need, suggest a support, and confirm

The recreation room is loud. Priya wants to keep working. Priya can say, type, sign, point to AAC, or ask a support person to help communicate. Use a clear request and choose a support option.

Need	The room is too loud for Priya to focus.
Clear request	I need a quieter place to work.
Support option	Can we use headphones or a quieter table?
Confirm	Ask where and when the change can happen.

Sample answers below. Accept equivalent wording and supported communication.

1. What does Priya need?

A quieter place to work.

2. Write or say one clear request.

Example: I need a quieter place to work.

3. Name one support option from the routine.

Headphones or a quieter table.

4. What can Priya ask to confirm the plan?

Example: Which table can I use, and when can I move?
